

## Library and Information Resource Center

Nothing is Impossible

### Mission:

The Library and Information Resources Center at American University in the Emirates supports and offers all structures, functions, materials, services, and activities necessary to establish and maintain an Access-Oriented academic library.

### Goals:

1. Access to superior-quality and up-to-date information resources in multiple forms.
2. Access to adequate space, hours-of-operation, and other resources necessary for library users to produce superior academic work.
3. Access to a skilled circulation, reference, and library services staff who can assist and guide library users in acquiring necessary information and research.
4. Access to the resources offered by other libraries and other services, through electronic and virtual means.

### Library Resources:
